## **General Information**

### **Eligibility**

You are eligible, and continue to be eligible, to be a member while you meet all of the following conditions:

1. You are actively working for The Corporation of the County of Essex.
2. You regularly work for The Corporation of the County of Essex at least 30 hours each week.
3. You have been continuously employed by The Corporation of the County of Essex at least as long as the waiting period.
4. You are a resident of Canada.

Participation is compulsory.

**Waiting Period** - 3 months

### **Enrolment**

To enrol, you must submit a completed enrolment form.

If there are fewer than 10 members when you enrol, you must submit evidence of insurability to Sun Life.

### **Effective Date**

Your insurance is effective on the date you become eligible.

If you are absent from work on the date your insurance would be effective, then that insurance will not be effective until the date you return to active work.

### **Changes in Insurance**

An increase in your benefits, the amount of your insurance due to change in your group benefit plan's design or a change in your classification becomes effective on the date of the change, unless you are not actively working on that day due to disease or injury.

If Sun Life doesn't approve an increase in the amount of your insurance, any future increase in the non-evidence or evidence maximum benefit amount will not be effective unless evidence of insurability is approved. An increase in the non-evidence or evidence maximum benefit amount will be effective on the date Sun Life approves the evidence of insurability.

If, due to disease or injury, you are not actively working on the date an increase in your benefits or the amount of your insurance would be effective, the increase becomes effective on the date you return to active work. Sun Life may require evidence of insurability to establish the date that you are physically and mentally fit to return to active work. If so, the increase becomes effective on the date Sun Life establishes. If Sun Life doesn't approve the evidence of insurability required, the increase will not be effective.

### **Subrogation**

Subrogation is a legal practice giving Sun Life the right to be reimbursed for benefits paid to you if you have been compensated by another person who is responsible for your loss. The intent of subrogation is to limit your benefit payments to the amount you actually lost.

Let's assume a person is responsible for your disability, and is required to compensate you for any of the loss that results from your disability. If Sun Life is paying or has paid your loss of income benefits, you may be receiving more income than you earned before you became disabled. In that case, you would reimburse Sun Life for the loss of income benefits Sun Life has paid. If you receive an amount for future loss of income, that amount will reduce your future loss of income benefits from Sun Life.

Subrogation also applies to any medical and/or dental expenses you have been paid as a result of an injury caused by another person. Once you are compensated by the person who is responsible for your loss, you must reimburse Sun Life.

If subrogation applies to your claim, Sun Life will contact you to obtain the information required to proceed. You will be required to sign an undertaking to reimburse Sun Life for any amount recovered which exceeds 100% of income or expenses. Before agreeing to a settlement of your claim, Sun Life's approval must be obtained.

## **Termination of Insurance**

Your insurance could terminate for a number of reasons. For example,

- you are no longer eligible, (i.e. you are no longer actively working),
- you reach the Termination Age,
- the provision or the policy terminates.

## **Member Life Insurance Provision**

### **Benefit**

The amount of benefit will be paid to your beneficiary upon your death. If no beneficiary has been appointed or if the beneficiary has predeceased you, payment will be made to your estate.

A minor cannot personally receive a death benefit under the plan until reaching the age of majority. If you reside outside Québec and are designating a minor as your beneficiary, you may wish to designate someone to receive the death benefits during the time your beneficiary is a minor. If you reside outside Québec and have not designated a trustee, current legislation may require Sun Life to pay the death benefit to the court or to a guardian or public trustee. If you reside in Québec, the death benefit will be paid to the parent(s)/legal guardian of the minor on the minor's behalf. Alternatively, you may wish to designate the estate as beneficiary and provide a trustee with directions in your will. You are encouraged to consult a legal advisor.

If you become totally disabled before age 65, your Life Insurance may be continued. Premiums for the continued insurance will be waived after you have been totally disabled from the same or related causes for six continuous months or, if you are also insured for group Long Term Disability Insurance with Sun Life, when you begin receiving group Long Term Disability payments.

### **Claims**

A death claim must be received by Sun Life within 6 years of the date of death. The claimant must submit proof of the claim and the right to receive the benefit to Sun Life.

If you become totally disabled and are also insured for group Long Term Disability Insurance with Sun Life, you must submit a disability claim along with your claim under the group Long Term Disability Insurance to Sun Life.

If you become totally disabled and are not insured for group Long Term Disability Insurance with Sun Life, you must submit a disability claim to Sun Life after you have been totally disabled continuously for 6 months but not beyond 12 months after the date you became totally disabled.

Except where or when applicable legislation permits the use of a different limitation period, every action or proceeding against an insurer for the recovery of insurance money payable under the policy is absolutely barred unless commenced within the time set out in the Insurance Act or the time set out in such other legislation as may apply to a claim, action or proceeding for insurance money.

Where or when applicable legislation permits the use of a different limitation period, no legal action or proceeding may be brought against Sun Life:

1. regarding any claims for which no payment has been made by Sun Life, more than one year after the end of the time period in which the initial submission of proof of claim is required by the terms of the policy, or
2. regarding claims for which some payment has been made by Sun Life, more than one year after the last payment made by Sun Life with respect to the claim, or
3. regarding claims for waiver of Member Life Insurance premiums which are initially approved, more than one year after the date you cease to be insured or your premiums cease to be waived.

### **At Termination**

If your Life Insurance ends for any reason other than your request, you may apply to convert the group Life Insurance to an individual Life policy with Sun Life without providing evidence of insurability.

The request must be made within 31 days of the reduction or end of the Life Insurance. There are a number of rules and conditions in the group policy that apply to converting this insurance, including the maximum amount that can be converted. Please contact your employer for details.

If you reside in Québec, the death benefit will be paid to the parent(s)/legal guardian of the minor on the minor's behalf. Alternatively, you may wish to designate the estate as beneficiary and provide a trustee with directions in your will. You are encouraged to consult a legal advisor.

- The accident must occur while you are insured under this provision.

1. 5% of your amount of benefit, or
2. \$5,000.

The amount of benefit will be paid each year, up to 4 consecutive years, after Sun Life receives proof that your dependent child is enrolled as a full-time student at a post-secondary institution.

No payment will be made for:

1. tuition expenses incurred before the date of the accident.
2. room or board or other ordinary living, travelling, or clothing expenses.

# **Long Term Disability Insurance Provision**

## **Benefit**

The amount of monthly disability benefit will be paid to you when proof is received by Sun Life that you are absent from active work because you are totally disabled and that you have been totally disabled from the same or related causes for the qualifying period. Proof continuing disability may be required as often as necessary.

Benefits are payable from the later of

- one month after the end of the qualifying period, or
- one month after the date you are no longer entitled to receive regular earnings or benefits under a salary continuance plan or short term disability income plan.

If you are receiving disability income or retirement income from other sources, the monthly disability benefit will be reduced so that the total amount of disability and retirement income receivable by you from all sources does not exceed 90% of your monthly rate of earned income in force on the date you became totally disabled.

If the benefit is not subject to income tax, the monthly rate of earned income, for the purposes of this section, is reduced by income tax deductions.

If you become totally disabled, your Long Term Disability Insurance may be continued without payment of premiums while you are eligible to receive Long Term Disability benefit payments.

## **Partial Disability**

A partial disability benefit will be paid to you if you are receiving income under an approved rehabilitation program. The partial disability benefit is your monthly benefit payable reduced by 50% of your monthly rehabilitation income. Your partial disability benefit will be further reduced so that the total amount of your income from all sources does not exceed 90% of your pre-disability income.

## **Claims**

A claim must be received by Sun Life within 3 months after the end of the qualifying period. The qualifying period begins on the date you become totally disabled. Proof of continuing total disability may be required as often as necessary.

If you are receiving Workers' Compensation, Workplace Safety Insurance Act or similar legislation's benefits, you must submit a claim for the monthly disability benefit.

There is a time limit for appealing Sun Life's decision to decline or terminate a claim. An appeal must be made within 3 months of such a decision and must be accompanied by new objective medical evidence.

Except where or when applicable legislation permits the use of a different limitation period, every action or proceeding against an insurer for the recovery of insurance money payable under the policy is absolutely barred unless commenced within the time set out in the Insurance Act or the time set out in such other legislation as may apply to a claim, action or proceeding for insurance money.

Where or when applicable legislation permits the use of a different limitation period, no legal action or proceeding may be brought against Sun Life:

1. regarding any claims for which no payment has been made by Sun Life, more than one year after the end of the time period in which the initial submission of proof of claim is required by the terms of the policy, or
2. regarding claims for disability benefits that have been paid by Sun Life for some period of time, more than one year after the last date for which disability benefits have been paid.

## **At Termination**

If this Long Term Disability provision terminates while you are totally disabled, you will continue to be eligible for this benefit as if it were still in force.

## **Exclusions and Limitations**

No benefit is payable for a disability due to

- intentionally self-inflicted injuries,
- civil disorder or war, whether or not war was declared.

You are not considered totally disabled unless you are under the active and continuous care of a physician and you are following the treatment prescribed by the physician for that disability.

You are not considered totally disabled due to the use of drugs or alcohol unless you are being actively supervised by and receiving continuous treatment for that disability from a rehabilitation centre or an institution provincially designated for that treatment.
