Amherstburg ON

Town Meeting Jan 13/2020

We would like to address the Council and see where the Noise Bylaw is with regards to the Legion in Amherstburg. The Patio is started up in April to Oct weather permitting

During the last year we have worked with the bands

- Controlling the volume
- Turning the speakers toward the branch
- Measuring the sounds on a meter reading
- Meter reading at the patio and across the street
- We have design different patio templates to change stage against the building
- Looking into a garage that the band can play in side with the door being open

(estimate is 20,000)

The last meeting when the Sound engineer was redoing the meter on the outside of the Condo building we were told the he would visit the Legion and let us know the what the meter was reading.

I have not heard anything

This is a big concern for the legion this is our money maker during the summer months.

We participate in the town festivals to have local and tourist visit our branch our patio serves food drinks and great local entertainment

Please look at this matter seriously we have been carrying this burden for over a year

As a Non-Profit Organization we a surviving to keep our legion alive and well.

We have Remembrance Day, Poppy Fundraiser. and Youth Education with Poster and Speech,

Sports Local and District which our teams have one and are bring back teams from Ontario back to out branch

These events are funded by our branch

Our branch is supported by volunteers that work hard and money raised goes back to the community

PRESIDENT BR 157

Laurie Cavanaugh
