MEMORANDUM OF AGREEMENT

BETWEEN

THE TOWN OF AMHERSTBURG
(Hereinafter referred to as the "Town")

AND

THE ESSEX REGION CONSERVATION AUTHORITY
(Hereinafter referred to as "ERCA")**1. PURPOSE**

The purpose of the Memorandum of Agreement is to describe the framework within which ERCA will provide specified plan review and technical clearance services to the Town.

2. ROLES AND RESPONSIBILITIES

(a) The Town and ERCA mutually agree that :

- i) ERCA desires and has the expertise to provide the plan review and technical clearance services to the Town identified in this Memorandum of Agreement and that the Town is relying on said expertise. The parties acknowledge that the Town remains the approval authority for those planning applications for which the Town is so designated by statute;
- ii) nothing in this Memorandum of Agreement precludes ERCA from commenting to the Town from a Conservation Authority perspective as it normally would on an application circulated by the Town under the Planning Act;
- iv) a protocol will be mutually developed to acquire data from the Province, to coordinate and enhance information/data sharing opportunities and responsibilities, and to release data to the public, as per Appendix D;
- vi) this Memorandum of Agreement may be amended by mutual agreement, in writing, from time to time to reflect changes in the programs of parties to this Memorandum of Agreement, or as a result of changes in provincial policies, or as a result of subsequent discussions between the parties hereto; and
- vii) any party to this Memorandum of Agreement may terminate the agreement

at any time in writing to the other party to the agreement, with a minimum of six months notice.

B) ERCA commits to:

- i) provide the Town with those services listed in Appendix B-1, at no extra cost to the Town, ie. within the annual general levy budget appropriation for ERCA programs;
- ii) provide the Town with those services listed in Appendix B-2, with the cost to be recovered through an Application Review Fee;
- iii) provide its comments to the Town immediately upon receipt of an application, prior to the date the comments are required;
- iv) comment on whether the application has had regard for applicable Provincial Policies, as set out in the Provincial Policy Statement and in the Town's Official Plan, and other planning documents as mutually agreed upon by the Parties, in the plan review services it provides the Town;
- v) provide Technical Clearance services listed in Appendix B-3 (ie. Fees for these services will be recovered by ERCA from applicants);
- vi) apply all relevant Provincial and Town operational procedures and guidelines in the plan review and technical clearance services it provides the Town; and
- vii) make provisions for staff to attend Ontario Municipal Board Hearings, upon the request of the Town, with respect to the plan review and technical clearance services provided pursuant to this Memorandum of Agreement, at no extra cost to the Town.

(c) The Town commits to:

- i) circulate to ERCA under this Memorandum of Agreement those development/planning applications listed in Appendix A;
- ii) provide the revenue to cover ERCA's cost for providing plan review services, as outlined in Appendix B-4 of this agreement;
- iii) support ERCA in its collection of fees for those services listed in Appendix B-3.
- iv) make other arrangements to provide the plan review and technical clearance

services identified in the memorandum of Agreement, when in the opinion of the Town and ERCA, utilizing the services of ERCA as specified in this agreement could result in a conflict of interest for ERCA.

3. TIME FRAME FOR IMPLEMENTATION

This Memorandum of Agreement will take effect on _____.

The parties have duly executed this Memorandum of Agreement under the hands of their authorized Officers.

Dated this _____ day of _____, 1999

ESSEX REGION CONSERVATION AUTHORITY

THE TOWN OF AMHERSTBURG

Wayne Huss Mayor
DePaillon Clerk.

APPENDIX A

CIRCULATION STATUS BY APPLICATION TYPE AND DEFINITIONS

1. The Town advises ERCA that under this agreement it will circulate the following types of development/planning applications to ERCA for comment, as per the items in Appendix C, subject to a pre-screening protocol to be developed:

Subdivisions;
Condominiums;
Consents;
Official Plans;
Secondary Plans;
Comprehensive Official Plan Amendments;
Comprehensive Zoning By-Laws;
Zoning By-Law Amendments;
Minor Variances; and,
where deemed necessary by the Town or where requested by ERCA,
Site Plans.

2. "Plan Review" as identified in Appendices B-2 and C, includes:
 - i) screening development applications to determine if and where a Provincial, Regional or Local interest may be affected;
 - ii) identifying the need for technical reports;
 - iii) recommending conditions of approval.
3. "Technical Clearance" as identified in Appendices B-3 and C, includes:
 - i) assessing technical reports or data submitted by the applicant to determine if the information has been prepared in accordance with the conditions of approval established by the Town as a result of recommendations made ERCA during Plan Review;
 - ii) identifying the adequacy of technical reports and proposing mitigation measures for applications;
 - iii) assisting in the preparation of terms of reference for studies and reports; and

- iv) advising the Town if the information supplied, the conclusions reached, or the actions taken (or proposed to be taken) by an applicant are sufficient to satisfy those conditions of approval established by the Town as a result of recommendations made by ERCA during Plan Review.

Technical Reports are typically prepared to address issues related to Natural Heritage (eg. ANSI, Significant Wetland habitat, Valleylands, Woodlands, Wetlands, Fish Habitat, Threatened and Endangered Species) and Natural Hazards (Flooding, Erosion, Slope Instabilities).

A representative listing of the general types of Technical Reports that would be submitted to address these issues include, but are not necessarily limited to:

- a) Environmental Impact Assessment (natural features and functions)
- b) Stormwater Management Studies (water quality and quantity)
- c) Hydrogeologic Investigations (groundwater)
- d) Geologic/Soils Reports (erosion and slope stability)
- e) Coastal Engineering Studies
- f) Floodplain Studies
- g) Tree Conservation Plans
- h) Erosion and Sediment Control Plans

APPENDIX B-1**SERVICES TO BE PROVIDED BY ERCA TO THE TOWN
AT NO EXTRA COST TO THE TOWN**

1. ERCA will provide the following to the Town at no extra cost:
 - i) Plan Input for municipally-initiated official plans and zoning by-laws, and official plan and zoning by-law amendments;
 - ii) Maintenance of mapping and data resources related to flood/erosion hazards and natural heritage mapping;
 - iii) Expert witness support of a municipally-initiated decision related to the services outlined in this agreement;
 - iv) Review of municipally-initiated studies;
 - v) General inquiries and technical support;
 - vi) Development of expertise; and
 - vii) Training and support of municipal staff on stormwater management, flood and erosion hazards and natural heritage issues, as related to this agreement.

2. ERCA, in conjunction with the Town, will identify a need for the following, in relation to the above services:
 - a) Storm Water Management Facilities and Studies;
 - b) Subwatershed Studies;
 - c) Environmental impact studies related to natural heritage features; and
 - d) Studies to assess mitigation measures for applications that may be impacted by flooding and erosion hazards, and other issues as set out in Appendix C.

3. ERCA will assist in the development of the terms of reference for any studies identified above, and will prepare, in conjunction with municipal staff, criteria for full and scoped impact studies and other studies.

4. In providing Plan Input services to the Town, ERCA will comment on the full range of natural hazard and natural heritage issues.

5. ERCA will participate in pre-consultation meetings for potential planning applications upon the request of the Town.

6. ERCA participation in the preparation of municipally-sponsored subwatershed plans, master drainage plans and tributary studies will be negotiated with the Town on a case-by-case basis.

APPENDIX B-2**APPLICATION REVIEW SERVICES TO BE PROVIDED BY ERCA TO THE TOWN
WITH COST RECOVERED THROUGH AN APPLICATION REVIEW FEE
(See Appendix B-4)**

ERCA will undertake a Plan Review function for landowner/developer initiated applications, and make recommendations, where appropriate, for the following:

- i) Subdivisions
- ii) Condominiums
- iii) Consents
- iv) Official Plan Amendments
- v) Zoning By-Law Amendments
- vi) Minor Variances
- vii) Site Plans

ERCA and the Town will develop a pre-screening protocol to determine what applications will be circulated to ERCA for comment.

APPENDIX B-3**TECHNICAL CLEARANCE SERVICES TO BE PROVIDED BY ERCA TO
LANDOWNERS/DEVELOPERS
ON A FEE FOR SERVICE BASIS (Fee to be recovered by ERCA from applicants)**

- a) ERCA will undertake detailed review and provide Technical Clearance and recommendations, where appropriate, for the following:
- i) Impact studies and proposed mitigation measures related to any natural heritage features such as:
 - a) Significant Wetlands
 - b) Significant Wildlife Habitat
 - c) Habitats of Threatened and Endangered Species
 - d) Fish Habitat
 - e) Significant Areas of Natural and Scientific Interest
 - f) Significant Woodlands
 - g) Significant Valleylands
 - h) Groundwater Recharge/Discharge Areas, Aquifers and Headwaters
 - ii) Subwatershed Studies/Master Drainage Plans/Tributary Studies
 - iii) Stormwater Management Studies and proposed facilities
 - iv) Impact studies and proposed mitigation measures for any proposal that is potentially impacted by natural hazards

The fees for the above noted reviews will be recovered by ERCA from the applicant/proponent, in accordance with ERCA's fee schedule, as amended from time to time.

APPENDIX B-4**APPLICATION REVIEW FEE**

The amount of the application review fee is based on an assessment of the anticipated application activity from the **Town of Amherstburg**, and an assessment of the costs associated with a typical application review. This results in a annual revenue target which is provided to the **Town of Amherstburg**.

The total annual Application Review Fee is to be calculated by ERCA in consultation with **Town of Amherstburg** staff. The fee for this service, which covers the period from January 1 to December 31 of each year , and will be reviewed on an annual basis, is:

\$2,000.00

The **Town of Amherstburg** has the discretion to recover this fee or to pay it from existing revenues. The Town may choose to recover the fee by adding a surcharge to all applications or by adding a fee to targeted applications. This fee will be paid to ERCA separate from any General Levy or Special Levy apportionment that the **Town of Amherstburg** would otherwise contribute to ERCA.

ERCA will invoice the **Town of Amherstburg** for the Application Review Fee. If for any reason this agreement is terminated or altered during the year, the Application Review Fee is to be calculated proportional to the days of service provided, and to reflect any changes in services.

The fee identified in this Schedule will be reviewed on a regular basis to ensure that the revenue generated is comparable to the operating costs to provide this service. Revisions to this Schedule may be implemented through Clause 2a)vi of this Agreement.

Dear Mr. Mailloux:

Re: Plan Review and Technical Clearance Services

Further to our phone conversation on July 8, 1999, I am pleased to enclose the Memorandum of Agreement Between the Town of Amherstburg and the Essex Region Conservation Authority, to be forwarded to your council for adoption by By-Law.

We would be pleased to attend a future council meeting at which this issue will be discussed, if it is the desire of the Town, in order to address any further questions or concerns.

We look forward to continuing our good working relationship with the Town of Amherstburg, and to making the delivery of our plan review and technical clearance services to the Town as effective and efficient as possible.

If you require any further information, please do not hesitate to contact us.

Sincerely,

Tracey Pillon-Abbs, BES, MCIP, RPP
