

CORPORATION OF THE TOWN OF AMHERSTBURG

BY-LAW NO. 1999-51

Being a by-law to approve the temporary discharge of liquid material or substance other than unpolluted drainage water into a drainage works.

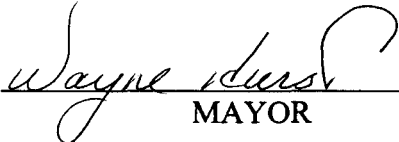

WHEREAS Council of the Town of Amherstburg has approved the construction of a sanitary sewer system and the upgrade to the Municipal Storm Drainage system in the Amherst Point area;

AND WHEREAS it is necessary to temporarily connect the combined storm and sanitary drains from individual residences into the newly upgraded storm drainage system until the sanitary sewage system is completed;

AND WHEREAS under section 83(1) of the Municipal Drainage Act the approval of the Ministry of Environment is required to make such connection;

NOW THEREFORE THE CORPORATION OF THE TOWN OF AMHERSTBURG HEREBY ENACTS AS FOLLOWS

1. That we authorize the temporary connection of the existing combined storm and sanitary sewer into the new storm drainage system until the sanitary sewage system is completed.
2. That we authorize the Bruce D. Crozier Engineering firm to apply to the Ministry of Environment for approval.
3. That this By-law shall come into effect on the final passing thereof subject to the approval of the Ministry of Environment.
4. That the Mayor and Clerk be authorized to sign this by-law and apply the Corporate Seal thereto.
