

Minutes of a Special Meeting of Council held October 27, 1999, at 8:00 p.m. regarding a petition for sanitary sewer service.

**PRESENT:**

Mayor Wayne Hurst  
Councillor Robert Anderson  
Councillor Lynne Fox  
Councillor Gerry Theriault  
Councillor Tony Tiefenbach

**ABSENT**

Deputy Mayor Tony DiBartolomeo  
Councillor Robert Pillon

**ALSO PRESENT:**

Bill King, Chief Administrative Officer  
David Mailloux, Clerk

A list of residents in attendance is attached hereto.

Mr. Ken Madill of Stantec Consulting was present to provide information and review his report with regard to a petition for a Sanitary Sewer on the 3<sup>rd</sup> Concession from Municipal address 3860 to County Road 20.

A number of residents present advised that the project was too costly.

Mr. Ken Mansell asked that his name be deleted from the petition

Mr. Jack Herceg explained that he had been asked by the owners of the Malden Marsh to see if sanitary sewers would be feasible. The report has been prepared and the people now have a say. Perhaps grants will be available in the future.

Some discussion took place concerning including this project in with the larger project similar to the other end of the 3<sup>rd</sup> Concession. It was explained that the other area of the 3<sup>rd</sup> Concession actually brought the estimated costs down slightly for the project whereas the present area brings the cost up.

It was also questioned why this area was not included in the original grant request. It was explained that this area had larger lots where conventional septic systems can work whereas the lake area generally has small lots where conventional septic systems do not work as well.

Mr. Herceg asked if Council would be willing to ask the people in the Malden sewage area if they would be willing to pay a small amount more to have this area included. Council felt that the answer would be negative. After lengthy review and discussion the following resolution was passed.

Moved by G. Theriault, seconded by T. Tiefenbach that the sanitary sewer project for the area from Municipal address 3860 to County Road 20 be put on hold until such time as grants become available.

Motion Carried

Moved by G. Theriault, seconded by R. Anderson that there being no further business, the meeting adjourn

Motion Carried
