PETITIONS & DEPUTATIONS

Ria Smith, Don Robitaille and Casey Overgaauw of the Parks Committee gave a presentation to Council on the "Celebration Tree Program". As the Bench Program was very successful the Committee felt they would continue to beautify the Town and attract tourists by initiating a tree planting program. Three Parks are the present places designated for the tree planting. Many of our existing ash trees are dying because of the emerald ash borer (estimated at 400 on Town property). The community needs to be made aware that trees need to be taken care of. This year marks the 100th Anniversary of the Fort Malden Horticultural Society. In commemoration the Committee will be planting 50 trees in the fall of 2005 and 50 trees in the fall of 2006. The cost of purchasing a tree under the Program is \$350.00 for one tree and \$300.00 per tree for two or more. A tax receipt can be issued.

Kate Hedley was not in attendance.

Anne DiCecco gave a presentation on the Big Creek situation. She stated that she was not invited to a recent meeting of the Big Creek Marsh Owners and would not have known about the meeting if not for being advised by Steve Mickle. At the meeting Dr. Spellman refused to allow her to be a member of the Committee. She asked that Dr.

Spellman be removed from the Committee and questioned why a Committee was needed at all.

Ms. DiCecco also referred to correspondence that she made available to Council. Mayor Hurst asked that Ms. DiCecco keep her presentation to the subject of the Big Creek. Other concerns can be brought to the proper forum.

Also, Mayor Hurst clearly stated that Dr. Spellman is not speaking for Council when these meetings are being held. Property owners are allowed to have meetings. There is no Council endorsement for the meetings that are being held.

Mr. Steve Mickle asked Council what their position is on the Big Creek issues. Big Creek is a big problem for some people. Is Council aware of the position of the Ministry? Next year the situation could repeat. Is altering the water level allowed or not? Being that water levels are controlled is this really considered an environmentally sensitive area.

Mayor Hurst explained that Big Creek comes under the jurisdiction of the Ministry of Natural Resources, Ministry of the Environment and Essex Region Conservation Authority. Council is just as concerned as the residents. Council will follow up.

Mr. Robert Beneteau a resident of the Town for 13 years and owner of a small archery business and also very involved in Community organizations and activities expressed his displeasure with the method used by the Town in selecting the Discharge of Firearms Committee. He feels the Committee selected is a good committee however business is not represented. He questioned how the Committee was selected.

Rick Fryer, VP of the Caboto Velo Club requested permission to hold a cycling event and partially close some roads in the downtown area on Saturday September 3, 2005. The proceeds for the event would be donated to the Masonic Lodge for their children Bicycle Helmet Program. Discussion took place on the route proposed and the effect on traffic flows.

Moved by R. White, seconded by R. Bailey that Council resume.

Leardi that we receive the presentation from Ria Smith, Don Robitaille and Casey Overgaauw of the Parks Committee regarding the Celebration Tree Program and that Council approve of the initiative and further that Administration do what is necessary to facilitate the implementation of the program.

Motion Carried

Mayor Hurst added that hopefully the private sector will participate in the program.

Moved by G. Freeman, seconded by R. White that we receive the presentations from Anne DiCecco and Steve Mickle regarding the Big Creek and that we issue a request to the MOE, MNR & ERCA to meet with Council immediately on the status of the Big Creek issue.

Motion Carried

Mayor Hurst asked that the CAO review the Discharge of Firearms Committee selection process. Mr. Pizzuto explained the selection process as follows:

- the individuals came forward and placed their name on a list.
- Terms of Reference were prepared.
- Council, In-Camera, had discussion on the individuals in relation to the criteria in the Terms of Reference.
- not all of Council knew all applicants, however all candidates were known by some members of Council.
- there was a list of 20 excellent candidates.

Mayor Hurst emphasized that Council has a good reputation regarding appointing members of the public to act on Committees, etc. The process has been transparent. Council will continue to have volunteers from the public.

Moved by G. Freeman, seconded by R. White that we receive the written and verbal presentation from Rick Fryer regarding the proposed Cycle event on September 3 and that permission be granted to hold the event in Downtown Amherstburg subject to review and approval from Public Works, Police Department and Fire Department, with the matter being dealt with as soon as possible.
