Subject: Development Charges By-law 2019-083 – Revised Tables

1. **RECOMMENDATION:**

It is recommended that:

 The revised tables to By-law 2019-083 being a By-law for the imposition of Development Charges, effective October 4, 2019 for the five (5) year period ending October 4, 2024 (at 12:01am), BE APPROVED.

2. BACKGROUND:

Council adopted By-law 2019-083 for the imposition of Development Charges (DC) and the supporting DC Background Study at their meeting of September 23, 2019. Prior to adoption, Council directed that the draft By-law be amended to:

- 1. Be effective on October 4, 2019; and
- 2. Provide for a phase-in to calculated DC rates, whereby DCs would remain at the rates under By-law 2014-101 for the period October 4 through December 31, 2019 and the calculated rates would come into effect on January 1, 2020 (subject to indexing in accordance with the DC Act). The phase-in was reflected in clauses 3.10, 3.11, 3.12, 3.13 and section 6.1 to the By-law; which were updated to refer to schedules B-3 and B-4 for the DC rates between October 4 and December 31, 2019.

3. <u>DISCUSSION</u>:

Following adoption of By-law 2019-083, the Consultant (Nancy Neale, Watson and Associates Economists Ltd.) advised that the tables to the By-law required revision to

ensure that the DC rates to be imposed under the By-law during the phase-in period did not exceed the calculated rates under the DC Study adopted by Council.

Tables B-3 and B-4 to By-law 2019-083 have been revised, to reflect the lesser of the current DC rates, as per By-law 2014-101 (indexed), and the calculated DC rates under the 2019 DC Background Study for the period of October 4 through December 31, 2019.

By-law 2019-083, as adopted, with revised tables B-3 and B-4 is attached to this report. The DC charges in Tables B-3 and B-4 are less than reported during the September 23, 2019 Council meeting.

Legislation:

As Council has been advised, there are pending changes to DC Act and Planning Act legislation under Bill 108: "More Homes, More Choice: Ontario's Housing Supply Action Plan". Following proclamation of Bill 108, it is anticipated that there will be a transition period which will require the Town to:

- 1. Revise By-law 2019-083 to remove services ("soft services") that become ineligible under the Development Charges Act, and
- 2. Adopt a new Community Benefit Charge By-law, under the Planning Act, which would include the services that become ineligible under the Development Charges Act.

And further, that following the Prescribed Date for the Community Benefit Charge (January 1, 2021), that:

1. DC By-law 2019-083 will be revised to only include the eligible services under ("hard services") and a new Community Benefit Charge By-law for "soft services" will be recommended to Council for adoption.

This report advises that, at the time of writing, the Proclamation Date for Bill 108 is still to be determined.

Administration will continue to be diligent in their role to monitor changes to legislation, take action to ensure that the Town is compliant with legislation, including Bill 108, and to make appropriate recommendations to Council.

4. RISK ANALYSIS:

Failure to approve the revised Schedules B-3 and B-4 to DC By-law 2019-083 would result in DC rates being charged that are in excess of the charges allowable under the DC Act.

5. FINANCIAL MATTERS:

The difference between the calculated DC rates, under the 2019 DC Background Study adopted by Council, and the rates to be applied during the phase-in period from October 4 to December 31, 2019 (directed by Council) must be funded from other sources. The financial impact will be seen in 2019 fiscal year with unbudgeted expense being incurred in taxation funded and water & wastewater rate funded budget centres. The amount of the expenses is subject to the development activity between October 4 and

Council will be advised of the impact in the fourth quarter (Q4) variance report.

December 31, 2019 and therefore cannot be determined at this time.

7. **CONCLUSION**:

Approval of the revised Schedules B-3 and B-4 to DC By-law 2019-083 is recommended to ensure compliance with the Development Charges Act.
