- 2.1 The owner of an eligible heritage property must make an application on the form prescribed by the Town no earlier than the first business day of February and not later than the last day of February in the year following the year for which the owner is seeking to obtain the heritage tax refund or reduction. Applications received outside of this time frame, whether earlier or later, will not be considered.
- 2.2 An application for a heritage tax refund or reduction must be made for every year that an owner wishes an eligible heritage property to be considered for a heritage tax refund or reduction.

PART 3 - COMPLIANCE WITH AGREEMENTS

- 3.1 Upon application for rebate, the owner of an eligible heritage property provides consent to the Chief Building Official or designate to conduct a bi-annual inspection of the eligible heritage property to ensure compliance with any easement agreement; preservation and maintenance agreement; and property standards. The fee for this inspection will be \$ 50.00 and will be reduced from the amount a property may be eligible to receive under the rebate program.
- 3.2 No Heritage Tax Refund will be approved under this By-law where the Chief Building Official determines that an owner of eligible heritage property is not in compliance with an easement agreement or with generally accepted 'property standards' in relation to the appearance of the building normally achieved thru regular maintenance.

PART 4 - AVAILABILITY

- 4.1 The heritage tax refund or reduction program set out in this By-law is subject at all times to:
 - (a) the availability of funding; and
 - (b) any regulations that the Minister of Finance may make governing by-laws on tax refunds and reductions for heritage properties; and
 - (c) Bi-annual inspection and compliance as determined by the Chief Building Official.
- 4.2 This By-law does not require the Town or council to provide funding for this program and the heritage tax refund or reduction contemplated by this By-law may be eliminated by council through repeal of the By-law at any time with no notice whatsoever to affected persons.
- 4.3 Where funding is insufficient to award a heritage tax refund or reduction to every applicant who otherwise complies with the terms of this By-law, applications will be considered in the order they are received. No priority will be given to applicants who have previously obtained a heritage tax refund or reduction.
- 4.4 If the circumstances contemplated in section 4.3 exist, then the next received application for a heritage tax refund or reduction which otherwise complies with the

terms of this By-law may, notwithstanding section 1.1(e), be awarded a heritage tax refund or reduction of at least ten per cent (10%) of the taxes for municipal and school purposes levied on the property that are attributable to:

- (a) the building or structure or portion of the building or structure that is the eligible heritage property; and
- (b) the land used in connection with the eligible heritage property, as determined by the Town.

If there are insufficient funds to pay a heritage tax refund or reduction in respect of that next received application in the manner described in this section, then that applicant will not receive a heritage tax refund or reduction and the next received application for a heritage tax refund or reduction which otherwise complies with this By-law shall be considered for a heritage tax refund or reduction in the same manner. This process will continue until a heritage tax refund or reduction is awarded pursuant to this section or all applications which otherwise comply with the terms of this By-law have been considered.

An application for a heritage tax refund must be made for every year that an owner wishes a property to be considered for a heritage tax refund.
