Dear Ms. Rubli:

**Re: Set Fines - Provincial Offences Act - Part I
By-law Number 2018-01, of the Town of Amherstburg**

Enclosed herewith is an original Order, and an original schedule of set fines for the above referenced By-Law, the By-law indicated in the schedule.

The set fines for items 4 and 5 have been reduced to \$500.00. This is in keeping with the proper principles of sentence. While general deterrence is an appropriate consideration in setting the range of set fines, the primary focus should be on encouraging out of court settlements.

The setting of the fines does not constitute my approval of the short form of wording used to describe the offences.

I have forwarded the copy of the Order and the schedules of set fines to the Provincial Offences Court in Windsor together with a copy of the By-law.

Yours truly,

A handwritten signature in black ink, appearing to read 'S. Fuerth'.
